

# Metric tire sizing

**145/70-6** or **205/80R12**

## Width

The width of the tire in millimetres.

## Height

The sidewall height expressed as a percentage of the tire width.

## Construction

An R means the tire has radial construction, while a dash indicates a bias-ply tire.

## Diameter

The diameter of the wheel the tire will be mounted on in inches.
